Dear Ms. Ling:

I wanted to again thank you for recently speaking at our Technology Tuesdays speaker series.

Technology Tuesdays has hosted numerous science, technology, and strategy leaders—from Nobel laureate William Phillips to author Dan Pink. Technology Tuesdays prides itself in presenting individuals with novel thoughts and perspectives that challenge our staff to achieve novel and innovative solutions for our public-interest clients.

We were thrilled to have you talk at Noblis and to add you to our long list of Technology Tuesdays relevant and thought provoking speakers. Again, many thanks.

Sincerely,

H. Gilbert Miller
